Mathematics Algebra Readiness Initiative. The Algebra Readiness Initiative (ARI) provides mathematics intervention resources and services to students in grades six through nine who are at risk of failing the Algebra I end-of-course test, as demonstrated by their individual performance on any diagnostic test that has been approved by the Department of Education.

VDOE :: Algebra Readiness Initiative (ARI)

Every lesson in SRA Algebra Readiness has two versions: A and B. If students grasp the concept using the A version, they can move on to the next lesson. But if they are struggling, the B version offers a reintroduction and further development and practice, ensuring that teachers have the resources to address student needs.
