High frequency words resources for parents and teachers to help children learn to read. We offer free printable resources including word lists and flashcards, plus links to high frequency word games to help children learn the often tricky words that occur most frequently in reading materials.

High Frequency Words

High-frequency words are the most commonly used words in printed text and over 50 percent of all text is composed of them. Because many are phonetically irregular, tend to be abstract, have limited visual correspondence, or even easily understood definitions, students must memorize them to read quickly and fluently.
