After removing the one map light lens, it appears it already is clean and clear as it can be. I will look into a replacement led bulb for the overhead map lights. I need smaller fingers to remove the existing map light bulbs.

**SilveradoSierra.com • How to remove overhead console ...**  
The overhead console in my 2018 Silverado LTZ is held in place with two screws that have both now come loose twice over about 18 months. The hardware selection is clearly not the best. The screws appear to be truss-head self-tapping screws that hold the console against a plastic bracket fixed to the interior of the cab roof.
