Mr. Selden's Map of China offers an interesting perspective on Chinese- European relations in the 16th and 17th centuries. The reading, however, can get ponderous. In the chapter called Reading...

Mr. Selden's Map of China by Timothy Brook: review | The Star

China occupies less than one half of the area of the Selden Map, which is centred on the South China Sea, with an equal area depicting the Philippines, Borneo, Java, Sumatra, Southeast Asia, and notionally at least, India. The depiction of China itself is not the purpose of the map, and is copied from a standard printed map of the period.
