who you're being, rather than what you're doing.

Five Qualities To Improve To Be An Effective Leader

An effective leader is a person with a passion for a cause that is larger than they are. Someone with a dream and a vision that will better society, or at least, some portion of it. I think a very key question has to be answered: Can someone who is a charismatic leader, but only to do evil or to promote herself, be a leader -- especially if she ...
