policy in the United States. It remains a unique contribution, going beyond simply describing current housing policy to situate it firmly within a broader political context.

The Federal Government and Urban Housing, Third Edition

The role of the federal government in

Online Library The Federal Government And Urban Housing Second Edition

urban policy is very complex in the United States. A review of The Federalist Papers No. 51 provides an insight into this complex relationship. Policy makers at the different levels of government are in relatively unique positions as a result of the fragmentation of political authority in the United States.
